

CORPORATE POLICY

Lenard, a company founded in 1996, is dedicated to the development, manufacturing, and sale of technical fabrics for individual protection, including fireproof, antistatic, anti-acid, fireproof antistatic, fireproof antistatic with splash protection, and microfibers.

Lenard's **vision** is to be a competitive, resource-efficient company, generating wealth and being a reference in the field of technical fabrics for individual protection.

Lenard's **mission** is the development and innovation of technical fabrics that comply with regulations regarding individual protection to meet the needs of our customers. We aim to provide textile solutions in the world of occupational safety.

Lenard's Values

Innovation: Our eagerness to find new textile solutions to improve the quality of our products.

Technical and Human Specialization: We have a highly trained and qualified team for the development of our activities. Our constant teamwork, our challenge for improvement, and our professionalism are our virtues.

Customer Orientation: Constant contact with our customers to understand their work needs. Ensuring that we incorporate their technical requirements into our fabrics.

Results Orientation: We work towards achieving objectives, both internal and external. Profitability for our shareholders and customers.

Continuous Improvement: Commitment to continuous improvement through our quality management system, based on satisfying customer requirements, planning and setting objectives, reviewing the system, and allocating necessary resources, both human and material, to achieve the proper implementation and evolution of the Quality Management System.

All these commitments are carried out to achieve the following general objectives:

- Meet the needs and expectations of our customers
- Be a reference in the market segment of textile products for individual protection
- Develop our activities at the lowest possible cost, continuously optimizing our resources and our process management system, making quality a key point within the organizational culture of LENARD bcn, S.L.
- Profitability as a company

Signed, Management
